Tardellis/Valentines Day :30

Cooking is chemistry, kinda like your relationship. You complement each other. Her *strengths* cover his *weaknesses*. Like the new spaghetti Tuscany at **Tardellis Restaurant**. Black olives and sun dried tomatoes mingle and compliment artichoke hearts and feta cheese. All *bathed* in extra virgin olive oil. Come celebrate chemistry - and relationships - this Valentines day, at Tardellis Restaurant, Outer Market Street, Potsdam. Pasta night specials in manicotti, lasagna, and other dinner specials, and of course spaghetti Tuscany, at Tardellis Restaurant. Reservations appreciated: 265-84-46.
